Execution of an agreement. - -

Sir,

With reference to your no. 6446 of 14th September, 1944, on the subject noted above, I have the honour to say that in clause (e) of the draft agreement the rule mentioned by you is rule 12 of the Building grant rules contained in Schedule D to P. E. Rules. As the St. Michael's Convent High School, Karwar is a Secondary School it appears that it ought to be rule 89 of the G. A. Code. I request you, therefore, to be good enough to let me know whether the draft agreement (sent herewith) may be amended accordingly.

Your obedient servant,

D S Sanjana

2 Pl see the letter from the D.P.I Poona at P I ante.

3. The congregation of the Sisters of the Carmelite Order, Kanwar has executed an agreement in respect of the grant-in aid of Rs 5851- paid to the St Michael's Convent High School, Kanwar.

4 The agreement is drawn up on the lines of a precedent contained in Schedule D to P.E Rules. The specimen form in Schedule D, is meant for the primary schools and therefore rule 12 of the Building grant rules regarding the insurance of the school building is mentioned in clause (e) of the draft agreement. As the School in question is a Secondary School, it will be governed by the G.A code and consequently the school building will have to be insured under Rule 59 of the Grant-in aid code not under Rule 12 of the Building grant Rules contained in the B.P.E Rules.

The D.P.I may be informed that clause (e) of the agreement may be amended as desired by him.
